MISSION HILL ARTS FESTIVAL

Steve Langone is an extraordinary drummer whose music versatility, awareness, and liveliness allows him to perform in many different genres of music and with a variety of artists. A true improviser, his playing can be both unpredictably minimalist or powerfully introspective.

The Jinga Quartet is presenting a combination of Caribbean and South American rhythms.

He is always performing and recording nationally and internationally, with artists such as George Garzone, Jerry Bergonzi, Rufus Reid, Miguel Zenon, Donny McCaslin, The NDR Bigband, Claudio Roditi, Bill Pierce, Antonio Sanchez, Leo Genovese, Avishai Cohen, Frank Lacy, Claudio Ragazzi, Luciana Souza, to name a few.
